

The **New Mexico 4 Wheelers** was established in 1958, making it the oldest 4WD club in the state.

As a family oriented, trail-riding club, all makes and models of 4WDs are welcome. The trail riding activities include day outings, overnight camping trips, and longer out-of-state trips. Trails range from mild to WILD! When planning the yearly slate of activities, all levels of experience are included. We are also involved in land-use activities, community service projects, and more.

Our club is dedicated to promoting an understanding, appreciation and protection of our environment while enjoying a rich outdoor experience. Active involvement with both the Bureau of Land Management and the Forest Service maintains and improves recreational opportunities for future use.

The **New Mexico 4 Wheelers** holds memberships in the **United Four Wheel Drive Association**, **Southwest Four Wheel Drive Association**, **New Mexico Off-Highway Vehicle Alliance**, **Blue Ribbon Coalition**, and **Tread Lightly! Inc.** Working through these memberships, our club is seeking to help shape public policy and perceptions to include and promote our chosen form of outdoor recreation.

Visitors are welcome at any of our activities and monthly meetings. October thru April meetings are held at Heights Cumberland Presbyterian Church (east of Wyoming on Academy) at 7:00 PM on the second Thursday of the month. During the summer months, meetings are a potluck affair and are enjoyed at the homes of various club members. Summer meetings usually begin at 5:00 PM on the second Saturday of the month.

We offer a monthly newsletter called "Trail Tales" and you can find us on the web at nm4w.org. Why don't you join us at our next event! We think that you will really enjoy your off-road adventure with the **New Mexico 4 Wheelers!**
